A HOLIDAY tradition is
BUILDING

A detailed LEGO holiday scene featuring a fireplace with a warm glow, a green Christmas tree with a yellow star, and several minifigures. A woman in a brown coat holds a photo of a snowy village. An older man in a green sweater and grey hat stands nearby. A young girl with black hair sits with a stack of yellow and red bricks. In the foreground, a boy in a green shirt holds a stack of blue and red bricks, and a girl in a blue shirt holds a white mug. A small brown cat and a red ball are also present. The background shows a window with a snowy view.

NEW! Winter Village Cottage

Ages 12+. 1,490 pieces.

EXCLUSIVE

Continuing the winter series, build the Winter Village Cottage for a perfect holiday home. Seat Grandpa snugly by the fireplace with his newspaper as you help Dad to put up the tree, then bake a feast in the kitchen with Mom! When it's time to stock up the storage shed with firewood, bring the kids for a ride with Dad on the sled and watch him cut the wood with his chainsaw deep in the forest. When the snow gets really deep, clear the road with the snowplow, take all of the kids skiing or build an Igloo to play in. There's no cozier place to spend long, frosty nights!
